DEPUTY

DEFENDANT JOHN ADAMS REQUEST FOR POSTPONEMENT OF SENTENCING
HEARING

Defendant, pro se, John Henry Adams ("Adams"), Hereby submits
as follows:

Adams was originally sentenced in this matter on May 3rd 2013. This
court erred and the fourth Circuit remanded this matter for re-sentencing.
Adams was led to believe by false assertions by the Government that
re-sentencing was originally scheduled for August 24th, 2015 and then
purportedly the hearing was rescheduled for October 1st 2015.

Adams has sent multiple letters to the court regarding serious
concerns for the protection of his rights.

Adams is unaware if his prior counsel has entered his appearance.
Adams has informed the court that his prior counsel is not
communicating with him nor was his counsel protecting his interests
in this matter. Adams is now aware that his prior counsel has not
prepared the required sentencing memorandum, has not properly
challenged the Government's sentencing memorandum which includes
numerous falsehoods and inaccurate information nor has he

procured evidence that is needed to present to the court during re-sentencing.

As the court is aware, Adams is permitted to present any information to the court to mitigate his sentence, see Fed. R. Crim. P. 32. Adams intends to present substantive evidence to support the appropriate sentence. Adams is requesting a 60 day extension so that he is able to coordinate the engagement of new counsel and to properly file the required documents and procure the evidence required for submission to the Court. The delay will not prejudice the Government in any way, the re-sentencing hearing is a result of a remand from the Fourth Circuit.

Respectfully Submitted September 20, 2015
